

Designer Series Dispensing Systems

The Designer Series offers high-performance dispensing solutions for upscale restrooms, offices, medical facilities, restaurants, shower rooms, and high-traffic public areas.

- ▶ Sleek, modern design available in multiple color options
- ▶ Durable construction with economical .75 mL dose per activation
- ▶ Upper pump/valve placement eliminates leaks
- ▶ Sealed, sanitary Health Guard soap or sanitizer refills

KUTOL
Hand Care Specialists

DESIGNER SERIES NO TOUCH DISPENSERS

Designer Series No Touch Dispensers minimize the spread of germs for healthier environments. The powerful motor makes for quick, accurate dispensing and hand cleaning. Ideal for placement in upscale restrooms, offices, medical facilities and restaurants.

- ▶ Hands-free dispensing helps minimize the spread of germs for healthier environments
- ▶ 4 C batteries (included) deliver over 30,000 dispenses with sleep mode and anti-glare protection

DESIGNER SERIES MANUAL DISPENSERS

Style and performance meets durability with **Designer Series Manual Dispensers**. This is the ideal push pad dispensing system for public restrooms, shower rooms and high-traffic areas.

- ▶ Simple, reliable push pad operation
- ▶ No metal parts – for use in wet or dry conditions

CUSTOM BRANDED DECO DISPENSERS

No Touch

Manual

- ▶ Full-color logo printing on front panel (24 dispenser minimum)
- ▶ One-time setup fee applies; per-unit deco charge may apply
